Mr. Dickey Mapps,
637 Crescent St.,
Brockton, Mass.

Dear Mr. Mapps:

I did not answer your letter sooner, as it arrived after the Team had left for Training Camp at Daytona Beach, Fla. and Mr. Manley had gone with them. I forwarded your letter to him and have just received his reply. He has authorized me to send you the enclosed Contracts, and ask you how soon it would be possible for you to come to Camp. A new man like you joining the outfit it is, of course, better to spend as much time as you possibly can with the Team before the season opens.

We are playing two games in Newark before the opening of the season, for which you will be paid, in addition to training expenses. All your expenses while in Camp are paid by the Club, also room and board while the Team is on the road after the season starts.

I would really like to have you come to Newark as soon as possible, from which you would entrain for Daytona Beach. I will either send you your fare to Newark, or return it to you upon your arrival here. If you come directly here, come to my residence at #55 Somerset St., if you arrive after or before office hours.

I would like to hear from you by return mail.

Yours very truly,
